2. Mr. Phillips (State) said that the item on the encouragement of East German youth defection would not be brought up for discussion until the luncheon meeting of 19 March. He requested each agency to name a representative to meet during the coming week to consider State's proposal. [REDACTED] asked each agency to give the name of its representative to [REDACTED], and upon my return from the meeting I talked with [REDACTED] of EE Division, who selected [REDACTED]. This choice was relayed to [REDACTED] yesterday afternoon.
